

# ClawCTF: Rules

**Format:** Jeopardy-style CTF

- **Duration:** 2 hours
- **Team size:** Max **2 members** (solo allowed)
- **Inter-college** allowed

## Flags

- Format:
- ClawCTF{...}
- Flags are **case-sensitive** unless stated otherwise.

## Categories

- OSINT
- Crypto
- Forensics
- Web
- Reverse Engineering

## Scoring

- Challenges use **static or dynamic scoring**, depending on the challenge.
- Live scoreboard; ties broken by submission time.

## AI & Resources

- **AI tools are allowed.**
- Internet, documentation, and standard security tools are allowed.
- Brute-forcing flags or abusing automation is **not allowed**.

## Fair Play

- Do **not** attack the CTF platform or infrastructure.
- Do **not** exploit unintended bugs or access out-of-scope systems.
- No flag sharing or collaboration between teams.

## Submissions

- Submit flags only on the official platform.
- Excessive wrong submissions may lead to penalties or cooldowns.

### **Conduct**

- Be respectful. No disruptive or abusive behavior.

### **Authority**

- Organizers' decisions are **final**.
